

Sunday Mornings

- **9:45 am Bible Study**

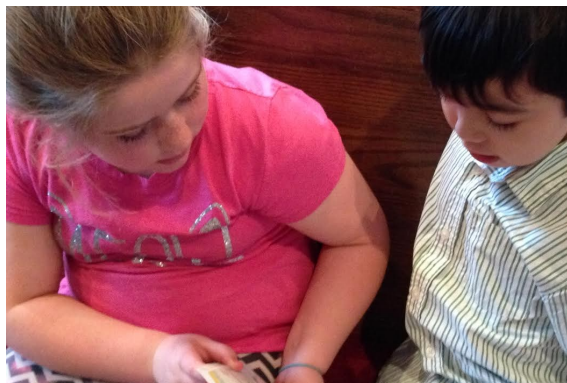

Children's Bible Study provides children in K - 5th grade grade-level small group learning experiences. Children will spend time each week actively engaged in learning Bible stories, while participating in a variety of earning activities. This time provides opportunities for children to experience the love of Christ and discover Bible truths in a safe, fun environment. Our leaders will model their faith and the love of Christ to help the children learn to do the same.

Preschool Bible Learning provides spiritual growth opportunities for preschoolers (age birth - pre-K 5) through age-and developmentally-appropriate music, art, nature, and verbal experiences, all in a fun and stimulating environment, with loving teachers who model God's love.

- **Extended Teaching Care**
9:00 am & 11:00 am

We offer ETC for preschoolers up to age 5 during worship experiences each Sunday. This time is designed for preschool children to have space and activities that help them learn about God.

Leaders in all our ministries involving children have completed a background screening.
