“Growing by Giving Away”
Acts 11:29
Part 7 of Becoming a Transformational Church
By Dr. Bob Lee

Read Acts 11:29

Key Thought: “God’s economy for individuals and churches is based on giving, not getting.”

1) The believers at Antioch were generous with their resources:

- They gave away their money.
- They gave away their leaders.

2) Antioch is a model of counter-intuitive growth for the 21st century church:

- Develop stewards
- Practice proportional giving
- Give to meet human needs
- Give to support God’s mission
- Give away leaders
