	Listen, dear friends, to God's truth, bend your ears to what I tell you. I'm chewing on the morsel of a proverb; I'll let you in on the sweet old truths, Stories we heard from our fathers, counsel we learned at our mother's knee. We're not keeping this to ourselves, we're passing it along to the next generation - God's fame and fortune, the marvelous things He has done. He planted a witness in North Chesterfield, set His Word firmly at 10525 W Huguenot Road, Then commanded all of us to teach it to our children. So the next generation would know, and all the generations to come - Know the truth and tell our stories, so our children can trust in God.

Church Covenant

Having been led as we believe by the Spirit of God, to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now in the presence of God, and this assembly, most solemnly and joyfully enter in covenant with one another, as one body in Christ.

We strive together to grow as disciples of Christ. We will focus our hearts and minds on God in order to be transformed inside out. We will hold each other accountable as we become mature people, fully developed like Christ.

We will love one another and lift each other up in prayer. We will be honest in our speech and actions at all times. We will be careful not to let our actions make those who are weak in the faith fall into sin.

We will overcome evil with good. We will bless those who persecute us, we will rejoice with those who rejoice, and weep with those who weep.

We will live our everyday lives as an offering to God. We will embrace what God does for us and give thanks to Him for His blessings.

We will not become so comfortable with ourselves, our culture, or our society that we fail to see the needs of people around us. We will be Christ to all persons with our efforts, our time and our money. We will respond to the leading of the Spirit to meet God where He is working.
