By Dr. Bob Lee

Key Verses:

- “Be completely humble and gentle; be patient, bearing with one another in love.” (Eph. 4:2)
- “Instead, speaking the truth in love, we will grow to become in every respect the mature body of him who is the head, that is, Christ.” (Eph. 4:15)

Big Idea: As believers, we are called to unity in our shared faith while embracing the diversity of gifts God has given us. Our strength and maturity as a church come from working together in love and using our unique talents for the common good.
