**September 22, 2024**

**By Dr. Bob Lee**

**Key Verse:** “Real wisdom, God’s wisdom, begins with a holy life and is characterized by getting along with others.” (James 3:17, *The Message*)

**Key Thought:** True wisdom from God is humble, peace-loving, and leads to righteousness, while worldly wisdom promotes conflict and selfish ambition.

### **Reflect:**

- Consider the source of our wisdom. (James 3:13-16)
- Ask: What is the goal of our wisdom? (3:17-18)

### **Act:**

1. Examine our motives. (4:3)
2. Draw near to God and resist the temptation of division. (4:7-8)
3. Admit that we are a lifelong building project. (Phil. 2:12-13)
