

## **Sermon Notes**

**“Don’t Fall Out the Window!”**

***When Life Doesn’t Go As Planned, Pt. 3***

**Acts 20:7-12**

**June 29, 2025 | by Dr. Bob Lee**

**Theme:** *No moment is too ordinary or messy for God to show up with grace.*

**Reflection:** What if church could be known as a place of life-giving joy?

I. Worship is about encountering God, together, in community.

II. The Spirit’s greatest work happens in the interruptions.

III. Joy, laughter, and community are part of God’s design for our flourishing.

### **Monday’s Prayer**

Lord, when I am weary or distracted, meet me with grace.

Help me find joy in Your presence and revival in community.

Lift me when I fall, and help me lift others too. Amen.
